

## Institut für Gravitationsforschung

Dear subscriber.

As previously announced we have now published our experimental results on the topic "Aether Control via an understanding of Orthogonal Fields" on our website as a courtesy translation for our English speaking readers.

[http://gravitation.org/institute\\_of\\_gravity\\_research/Experiments/Final\\_Report-Aether\\_Control.pdf](http://gravitation.org/institute_of_gravity_research/Experiments/Final_Report-Aether_Control.pdf)

Comments on the subject are welcome.

With best regards

The IGF Team
